EXPECTATIONS OF DETASSELING

- 1.) Detassellers are expected to work 7am-12 noonish Monday-Saturday (we normally don't work Sundays but it is possible depending upon the weather). These hours can change depending on the weather.
- 2.) Work is and is not dependent upon the weather.
 - a. We work in rain (unless there is lightening) or shine.
 - b. If we do not get enough rain and shine we could work less hours.
 - c. If we get too much rain we could work less hours.
- 3.) Detassellers are expected to have sunscreen, hats, boots and clothing/rain gear for protection as needed.
- 4.) Detassellers need to provide their own water. Well water will be available.
- 5.) Offsite bathrooms are provided, please see your supervisor if needed.
- 6.) Please see your supervisor if any of these expectations can not be fulfilled a week in advance of the conflict.
- 7.) Mark the days you are NOT available to work on the back of this sheet.
