

**BUCKEYE**  
HYBRIDS

**PS7287 E3 2.8 RM**

- Yielded **55.4 Bu/A** in 2019 production field; planted on June 25
- Very good stress tolerance
- Very good emergence and good standability
- Excellent Phytophthora Root Rot (PRR) field tolerance

**PS7304 E3 3.0 RM**

- Medium-tall bean with excellent emergence & standability
- Excellent Sudden Death Syndrome tolerance
- Excellent stress tolerance
- Excellent Phytophthora Root Rot (PRR) field tolerance

**PS7323 E3 3.2 RM**

- Yielded **53.0 Bu/A** in 2019 production field; planted June 9th
- Medium-tall bushy bean; Rugged stature with stress tolerance
- Very good emergence and good standability
- Excellent Phytophthora Root Rot (PRR) field tolerance

**PS7346 E3 3.4 RM**

- Yielded **57.6 Bu/A** in 2019 Ada replicated trials; planted June 8<sup>th</sup>
- Very good emergence and excellent standability
- Excellent stress tolerance & VG tolerance to SDS
- Good Phytophthora Root Rot (PRR) field tolerance

**PS7374 E3 3.7 RM**

- Yielded **60.1 Bu/A** in 2019 production field; planted June 25<sup>th</sup>
- High yielding bushy type bean with excellent emergence
- Excellent Phytophthora Root Rot (PRR) field tolerance
- Excellent frogeye tolerance
